

## Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., December 1<sup>st</sup>, 1883.

Sir:

I have received your letter of the 30<sup>th</sup> ultimo stating that the Hon. Justin S. Morrill, Chairman of the Finance Committee of the U. S. Senate, had requested you to prepare for him samples of nickel coin containing fifty and seventy-five per cent. of nickel, respectively.

I can see no objection to your complying with the suggestions of Senator Morrill, provided that the pieces are issued as "pattern pieces", so that they may be easily distinguished

from the regular coin.

Very respectfully,  
R. C. Boston
